“ My Sweet Loving Husband Joe, I thank GOD for Blessing me with you. You were an Amazing Husband, a Wonderful Dad to our only daughter Dawn and Phenomenal Granddad to our Gorgeous Grandchildren Keeley and Blake, a fabulous Father-In-Law to Jason, and oh what a Loving Son to your Parents, such a loving Brother to your siblings, and you loved my Family like they were your own. You were a Loving Friend and Neighbor. You also loved our 13-year-old dog Bell so so much. Honey, you enjoyed living life. You were full of Joy and Happiness. You always could make me laugh, even at times when I just wanted to cry. Joe, you had a way about you that was awesome. GOD blessed you with a Golden Heart. You would help others when they needed you - you never said no that you didn't have time. You would give the shirt off your back to anyone. You were such a Sweet and Gentle man, Compassionate for others. Where did our years go Honey? They went by so fast; but they sure were some wonderful years with you Joe, all the holidays - Christmas, Birthdays were all so great. You made them special honey. You never forgot, no not one. My favorite flowers are roses; but I love every flower that GOD made and you knew that I did. Joe, you have set out so many flowers for me and asked, "Do you want anymore Honey?" I will forever hold on to the day before you passed how that I leaned down to kiss you and though you could not respond you leaned up and kissed me three times - Dawn was there to witness this, Blake, and your nurse they were amazed! And the day you left us to go be with JESUS as I was holding your hand and tears forever flooding from my eyes you carried my Love with You and I am hear forever holding yours. I miss you like crazy, the pain is so deep because our Love was so True and Strong. But I will see you again one day, and Joe You and I will be together for eternity! There will be no more crying, no more pain just Joy Forever. You were Loved! You are so Loved! Until we meet again, I Love You. Love, Linda
