“ *I visited with Ms Joyce every Tuesday when our group from Walnut Grove Baptist Church came to visit and entertain. I enjoyed talking to her and keeping her updated on my grandchildren. We will sure miss her. I will not be able to attend the services as my husband has a Dr appointment with his heart Dr. My prayers are with you all. She was always very attentive to the other residents at the lighthouse. She was very sweet, and a smart women. We thought we went to give a blessing but we received the blessing.*
