“ Mike, Paula & Amanda: I am so sorry to hear of your mom's passing. She was such a good friend and a special person. I wish I could be with u today but other obligation is keeping me from there. My prayers go with y'all today forward and I pray God will fill the void with loving memories. My mom and dad want to be there but sickness is their hindrance. I remember Judy when she was not married and live behind my grandparents house. I always admired her and thought she was so pretty. She was one of f my heroes growing up. Luv yall.

“ *Mrs. Judy was a very kind hearted woman and will be missed greatly. Mrs. Judy always had a story to tell me about Mr. Woody and my dad when they worked together. She kept me laughing and even when she didn't feel her best she managed to keep going and do what she could for others. Amanda and Paula praying for you all and the entire family.*
