“ *Judy, you will be missed so much. I remember you so much in school and when you worked at Central Water Association when it was across the road from Watkins, Ward and Stafford. I will miss you so much coming into Williams Brothers and me and you talking about the good ole days. You were such a wonderful friend. I am so sorry you had to leave us by this terrible disease which maybe one day will find a cure. I know you are pain free right now and singing praises with your wonderful Savior. RIP - Judy, I will miss you. Your friend, Cheryl*
