“ *Judy Posey was such a wonderful fun person that will be forever missed by everyone that loved her. I am very honored to have had the opportunity to work with Judy at NCSD. She loved her job and greeted everyone with a smile.*

After she had retired, I would always run into Judy shopping but it was never in Philadelphia. It was always either in Jackson or in the middle of the woods at a Dollar General Store on Hwy 25. We would just laugh and laugh and catch up on all of her recent adventures.

If you were Judy's friend you knew it, she always would tell her friends that she loved them and have an encouraging word for them. If you were her bestie you knew it too because she had a very distinct nickname for you and she would just laugh and laugh when she called you by that name.

To Judy's extended family and friends, I would like to offer my deepest condolences. I am praying that the Lord comforts and grant you peace beyond understanding.

I remember thinking as a young lady in 7th grade going into the office on an errand or maybe was getting signed out by momma , that she was so beautiful , her skin looked flawless as I later learned by knowing her through the years she had a personality such as that . Beauty in her case ran deeper than just skin deep

“ Judy and I were such great friends in school and I spent time I her home as she did mine. When I was told of her death, I could not picture her that way, only as lively and filled with fun and laughter. That is how I will always remember you, Judy. Sometimes mischievous but always smiling and laughing. I love you and your family. JoAnn, praying for you all. Love, Dee

“ I remember every time Judy would visit Joanne at my father-in-law's house in Calico she would bounce in the door bubbly and so full of life. “ *I was blessed to have worked with Mrs Judy. The days working with her were always great and full off surprises. I remember that on April Fools Day you had better be on your toes. She had such a great sense of humor. The last time I saw her was at Walmart. I was looking the other way and I heard someone say shut up as she walked by. I turned and saw her it just brightened my evening. It was a pleasure to have known her. She will be missed greatly.*

“ I loved this precious lady with my whole heart. She was my friend from the first day I met her. Never were we together that we didn't laugh most of the time. We laughed and cried together through the years, but I never had to wonder if our friendship was real. She will be forever missed, but she is now in our Savior's arms and reunited with her beloved Mike. I love you so much, Judy. Love, Lanette and Ken Spears

Judy, really what can I say. She was so special, one of a kind friend. I met her back in 1973, we worked together that year, and became good friends. Lots of times when they saw us together, they knew something was up. Mr McKinney, and Mr Hardy. She was a jewel. We ran into one another at the Flea Market in Carthage, the Wednesday before Christmas, 2021. We talked about some of every thing, we had laugh about people, places, and things. Last words we said in our goodbyes was. We love each other, and be safe going home. Not in my wildest dreams did I think that would be the last time we spoke. She was a beautiful spirit, both inside and out. Will miss her. To all that knew Judy, was easy to love, and fun to be around. Rest my friend, she you again on the other side of Jordan. Love you my friend. Frances Wilson Morris. Friends forever.
