“ *I went to high school wit Julia..... we had fun in high school. We did pretty much any teenagers would do. We rode the bus 🚌 for over 45 minutes every morning and evening. Rain snow or shine we made it through high school. After high school we all went our ways n Julia was off to Oklahoma through the years we lost touch. Recently couple years we reconnected through Facebook I'm thankful I got to talk n catch up on things once again. I'm sad to hear of her passing but I do send condolences to her children n those she held dear to her heart ❤️.... Julia had this special laugh 😂 u could hear her laughing in a crowd n u would know it was her. May God bless n comfort her kids ❤️*
