“ *Kenny was more than a cousin to me he was also one of my best friends. Over the last several years we did not see much of each other but everytime I made it home he would usually stop by for a visit. I will miss him a great deal and will always remember the times that we spent together. He was a gentle giant with a heart of gold who would do what ever he could to help anyone but then that was always the Whitehead way.*

“ *Dear Beverly and family, Kenny was a wonderful friend and loyal customer for many years. I know that for him to be absent from the body is to be present with the Lord--no more pain, tears and suffering--instead he is beholding the glory of God for eternity! My prayers and thoughts of much appreciation for you will continue. In Christian love, Charley McCool*
