“ I had the opportunity to share time with Kevin as a part of the youth court judiciary of the state. He was a treasured friend and dedicated to the children of his tribe and of the entire country. Way to early. He will be missed!

“ My sincere condolences to Honorable Kevin Briscoe's family and friends. Kevin and I served on the Indigenous Peacemaking Initiatives for Native American Rights Fund. Recently, we worked together as facilitators at a Peacemaking Workshop this spring in California. He was a good man and worked hard for the youth and community. I will miss his genuine interest and integrity and humor. He touched my life and the lives of many who had the honor to know him. God be with you at this time of loss. Love and prayers from Alaska.

“ Our sincerest condolences for Kevin's Family. We were shocked and saddened to hear the news of his passing. We've always thought of Kevin as family. Mike met him in MS almost 30 years ago and we were so lucky to have him in our lives. We'd keep in touch off and on through the years. We enjoyed his visits and his love for Mardi Gras!! He was always so sweet, caring and optimistic. He'd send me messages and funny memes on Facebook that would make me laugh. His "New Orleans Family" will never forget the good times we shared. May he rest in peace!!
Love Always,

Kevin was a great friend, a great cohort at Belhaven University and a good cook. Kevin had a good sense of humor just as well when things needed to be resolved; he never hesitated to seek an answer. We will all miss him greatly. Rest in peace my friend.
