“ *Mark 4:39*

*And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm.*

*We are in a storm right now,  
some more than others  
but there is peace  
if we seek it*

“ Kim I know I didn't know you that well but I knew you enough to know that whenever you got the chance to make someone smile you done that. Knowing that you weren't always feeling your best you came in the classroom and put that face on that there was nothing going stand in your way. I seen the drive you had and sometimes it was hard to get through but you done what you needed too. You are a sweet, warm and beautiful person that I took pleasure of calling my friend. You are love and you are going to be missed by so many. I am glad to have known such a wonderful person as yourself. *The Day You Left Us.* The day you left us was heartbreak and sorrow. The day you left us we saw no tomorrow. The day you left us we didn't understand. The day you left us God had you by the hand. The day you left us your family came together. The day you left us we remember you forever. To the family: I know there are not enough words in this world to comfort you but I am here to tell you that the lord called one beautiful angel home to walk along side him. When you are in doubt look to the lord and he will be there and not give up on you.

“ Kimberly was a loving and caring classmate. I enjoyed her as a classmate. Her sister Amanda and I are very close. At school when you saw Amanda you saw Kimberly. We are all a family at school and have become very close with each other.

God looked around His garden and found an empty space. Then He looked down upon this earth and saw your tired face He put His arms around you and lifted you to rest God's garden must be beautiful He only takes the Best.

Kimberly you are loved and never will be forgotten.

To the family:

No words can comfort you but please know that my deepest sympathy prayers and wishes are with you always.

“ Kimberly was truly a beautiful person inside and out. She was a friend to everyone and everybody, and would give her last if anyone needed it. It's hard having to lose a person who was sweet, warm, kind and just a friend to everyone and Kim was just that person. Even if she was hurting, she kept a smile on her face.

To the family,  
I know this is a difficult time for you and that your days without her may be dim, but know that she is in a better place. God saw her pain and took her away, but He knew that all of us loved her dearly. Again, I am truly sorry for your loss.

“ Kim I walked in class today very happy, but not for long. Chelses asked if she could speak with me cross the hall, little did I know she was telling me you my friend was gone. Kim I am going to really miss you. You were so kind and sweet. Some mornings you would be waiting on me to help me up the stairs. The chain that all of us had is now broken ,because one link is gone that's you. The classroom will never be the same without you around. I will forever cherrish your memory forever. Rest in peace my freind for God picked a beautiful flower. I'll see you in Heaven your friend ;Delphine Edwards
