“ *I remember when I started working at the Tribe in April 1984 and went for Orientation. I went to Property and Supply, when it was located down stairs in the tribal office, to meet with Mr. Kirby. He was so nice and polite to me. Every time I saw him at work or at a store he was always polite and called me by my name. I am sure he will be missed dearly.*

*My condolences and prayer to the family.*
