“ Dear family,

I can not imagine what you are going through with the devastating loss of a wonderful person. Larry was a wonderful, kind, and generous person. I talked to Larry while we were on vacation at the same time a few weeks prior to his death and I never in a million years thought he would die so soon. I loved Larry so much for the friend he was and for always staying in touch through the years. He was one of the few that always kept in touch with me and seemed to care about me after we graduated NCHS and then he graduated and left DSU before me. Jeremy, I do not know if you remember me or not, but I will definitely remember you and I will be in touch with you in the weeks to come. My deepest love, thoughts, and prayers are with all of you.

“ I am so very sorry. I did not know about your loss until just now (Saturday night). I would surely have come to offer my prayers for you all. I can not imagine losing a son but I know that God will see you through this. Please know that Marty and I will be praying for you all and if you need to talk, please give me a call. May you seek God to find the peace to help you survive.
