“ *So many sweet memories of all the times we went to Illinois to see Uncle Bernard, Aunt Edna and Larry and the times in July they came home to Mississippi flood my mind! The fireworks we shot on the 4th of July, the family Reunions and all the good food and fun, how much he loved my Brownies and so many more. The year I lived with them in Illinois was truly an experience. I loved them all dearly, and they will always be precious to me. Love and prayers for the kids and grands. He will definitely be missed!*
