“ Dear Aunt Rain,
Thank you for being such a great aunt. My childhood memories contain many smiles thanks to you- getting my hair cut and drinking a Sundrop, frilly pink pajamas, playing cards and laughing all the while, going to the fairs, staying up late talking at the Sugar Shack, and lots of big hugs and big smiles. You had a gift of making people feel special. I am thankful you shared it with me. My heart aches that you have left us. Your family was always so important to you and it showed. I love you Aunt Rain and I will miss you.

“ Laura, do not know why this obituary stood out to me from all the rest this morning. Then I read it and realized it was your mother. It amazes me when these things happen. Will pray for you and Carl in your loss. God's comfort will be yours. It has been many years but I do have such fun fond memories.

“ Lauraine you were the friend that I will never forget ,we worked together traveled together. You were the mom I wish was mine and in ways you were. I will never forget the nights I needed biscuits and gravy cooked and you did that for me ,there when I had my girls, taught me a lot of things. We planted trees and flowers cried when needed and laughed a lot. You will truly be missed . If we hadn't gotten the flu I would ave been there to see you before you went to see God, Earnet, Dorman and the others. I will see you soon so enjoy your time and just know I loved you like a mom and a friend you will always be in my heart and thoughts.
Love you always
