“ *Stephanie, I am so sorry for the grief you are facing at this time because of Lester's HOMEGOING. There were a lot of lonesome days when mama went home, but I still rejoice in the fact that Mike led my mother to Christ not long before she went home. If you need me for anything, to talk or mainly just to listen know that you and your family are in my prayers constantly. I praise my Holy Savior for My christian family. Love in Christ, your sister in Christ, June.*
