“ *Linda was a very dear friend of mine. We had countless hours of fun and tears at Wells Lamont. There was a group of 5 or 6 of us. More like family than friends. We got married together had babies together some got divorces together and lost loved ones together. We were always there for each other Rest In Peace Linda. Prayers for you Mike and Hannah. Love you Linda*

“ As a pre-teen and early teenager, I loved to visit the Kea House. Linda and Tommy were the only ones still home. We roamed the area.. walking to Genell’s house every day. We loved listening to Elvis and dancing in Linda’s room at night. The whole experience was a delight; they all had easy temperaments and seemed happy. It was Mayberry at the Kea farm. I would love to revisit those days but sadly life is a one way street. Later, I heard about how good a basketball player she had become . I went to watch her one time - that confirmed her agility on the court. A few years ago I saw her artwork and was impressed; the Santa Claus that she painted was exceptional. She was talented no doubt but her total commitment was to her God and family, just as it should be. She was “salt of the earth “ to community and a Rock to her family. She will be missed

“ Graduated with Linda and went to church with her for about 20 years and I grew to love her very much. And she will be missed by many. She loved Jesus very much and her children and everyone around her. Just sorry I didn't get to see her more.

“ Linda was a precious cousin (related on her Mother's and Dad's side). She always thought of others first. When I was born 6 months after her, my great-grandmother (her grandmother - Susie Kea) exclaimed, "Two Linda Keas! She forgot my Mom changed her name from Kea to Thompson when she married my Dad. We laughed about that every time we saw each other. She was such an encourager when we lost our son, Karl. She had walked our path when she lost Brittany. I just didn't get to see her enough, usually at Memorial Day at White Oak or the Kea Reunion, which she had to miss this year. We always used Christmas cards to catch up on family news. I will miss my "special" cousin, but I know she's in a better place, waiting for us to join her.

“ Linda was very special. She loved God and spoke of Him often. She would come up with questions, I would never have thought of. She and I called each other Wonder Woman. Wonder what heaven really looks like, wonder if we will see our friends up there... she was very talented with a paint brush. To know Linda Bane was to know she was a Christian. Deer season you could find her in the woods on a deer stand. Linda loved people and animals. But she loved her family more than herself. She will be missed but I believe she is singing in God's choir
