“ *I met Linda when I was married to Ronald Joe. She was the type of person that when you met her, she became a instant friend! She loved everyone. I used to do her income tax for many years. She inspired me to be a better person. She had a deep love for her family! Linda could make me laugh without even trying. She was a good person. We lost a good lady! I will never forget her. Praying for her family & all of her friends*
