“ *Daddy I miss you so much!!! I would give anything just to sit on the porch with you and laugh, talk, share memories, and laugh again.*

For anyone who wants to know my Daddy (Lloyd W. Haberle) was a proud man, a knowledgeable man, a self taught man, a hard working man, Daddy served our country with all he had, although he didnt talk about it much you could just tell he was proud of his servce ,He was a great father and wanted his three girls to have everything they wanted, He loved and taught his grandchildren so much, more than they even know right now, for that matter he did the same for his girls, all we had to do is slow down long enough to learn it, I'm still finding I know how to do something just out of the blue cause my Daddy took the time to teach me, he was a GREAT MAN and I guess I just thought he would be here forever.

I LOVE YOY DADDY YOU HAVE ALWAYS BEEN MY HERO!!!!
