“ *My earliest memory that I can date (my youngest sister's birth) has Lorena in it. I was six, and Lorena traveled from Mississippi to Nashville, Tennessee. My two younger siblings and I were in the back seat of the car; we were all parked in the hospital's parking lot. Lorena was seated on the passenger side. She had stayed with us all night and made sure we were safe. My grandmother told me she was born in Madden, Mississippi in 1935. She also said her birth name was Lorraine. Her maiden name was Johnson. Her paternal lineage included: Whitman (father), Willie (grand-father), and Wesley (great-grand-father). Her maternal was: Viola Bell (mother) and Lizzie (grand-mother).*
