“ *These are a couple of my favorite pictures of Papaw. I remember watching him and my dad working (well my Dad was working, Papaw was telling him what to do) and I just thought Papaw looked so cute in his little outfit he picked out for the day.*

He was such a hard working man. Always in the yard doing something. Raking leaves, cutting grass, burning sticks that he had gathered. He stayed busy. I am going to miss hearing his voice and just listening to him talk for hours on the porch. He was such a character.

I know without a doubt he is in heaven with Mamaw Glenda and that makes my heart smile thinking about it.

I love you Papaw Mac ❤️
