“ *My memories of Margie and Ralph cover many years. Connie is my best friend. I spent many nights in their home. Connie and I could take her mother from being very happy with us to being ready to pull her hair out. Mainly ours, though. She was an extraordinary lady. Her Funeral Service was done beautifully. A last fond memory was made as her 2 year old great grandson tried to follow The BagPipes Player nearing the end of the service. The BagPipes was extra special. As was Margie Lewis.*
