“ I will always remember “Sis. Farmer“ for her unconditional LOVE for everyone!! When she hugged you,you felt the most wonderful warm loving feeling of pure love!! Her smile lit up the room! She shared her wisdom and understanding with such grace that you felt instant relief from your problems! Even with her health problems, she did what she could to help lift the burdens of others. She loved her Skye and Brent....they held her heart!! My only regret is that I did not get to talk with her and hug her one last time.... till we meet again my friend!

“ I loved this lady deeply. She was a spiritual giant and faithful servant. She willingly shared her wonderful talents of music and storytelling in an amazing way. She demonstrated unfaltering love for her family and friends. Even in her struggles with health she persevered to do good and right by her Father in heaven and her loved ones on earth.
Brent and Skye, I love you both and am praying for your comfort and peace. Although I know you will see your mother again and be with her; I know her presence will be sorely missed. I hope the Spirit will fill that void til then.

“ Mary was a dear, sweet friend. I have so many good memories shared with her. Weekly family home evenings that we held together with the single and widowed ladies with their children and or grandchildren and always a dinner for everyone. Getting together with her and Peyton and my granddaughters to make gingerbread houses, birthday parties, etc. Lots of scripture study classes together. Mary was a teacher and a student. She had a thirst for knowledge and was a patient instructor. If you had to give a talk in church you could always count on Mary sitting near the front and beaming at you with love and approval. She adored her family and was proud of all of them. She would often show me the pictures of each one that she had taped inside of her beloved scriptures. Mary was a true Saint that would give someone in need her last dollar and saw good in everyone. Those who knew her will miss her dearly. Sending prayers for Peyton and all the family at this time.

“ Peyton, I am so sorry to hear of your grandmother's passing. I remember chatting with her often at school, and stopping by to chat after seeing her sitting on the porch. Seems like she was watching you ride your bike out front. So sorry for your loss.

“ My Grandmother and Ms. Mary were once friends when they worked together on the reservation. She was always so proud of and loved her family without holding anything back. Think of the family during this hard time, and hope you find comfort knowing that she is in a better place.
