“ *It's hard knowing that you've been gone. I can remember so much with you. Even though me and you weren't friends as long others... You made it seem like it. I remember all the secrets you told me and the jokes. I miss us going boys and girls club everyday, and whenever we went into the movie room you sat right next to me and told me a secret or something funny about somebody. I miss you a lot Matthew. I miss the nicknames, secrets, and etc. Just wish you were here... (Ps: she doesn't know, like me and you do. That's our secrets)*

“ *If tears could build a stairway
and memories a lane
I'd walk right up to heaven
and bring you home again
No farewell words were spoken
No time to say goodbye
You were gone before I knew it
And only god knows why
My heart still aches with sadness
And secret tears still flows
What it meant to say I Love You
No one will ever know
But now I know you want me
To mourn for you no more
To remember all the happy times
Life still has much in store
Since you'll never be forgotten
I pledge to you today
A hollowed place within my heart
Is where you'll always stay.*
