“ *Mecie and I met in nursing school. We quickly became friends and started our first job together. She was beautiful on the inside and out, that smile would light up a room. I am hurting hearing the news she is gone, I will miss her dearly, but I know she is with our heavenly father. Kevin, Hunter and Helen I am so sorry for your loss, can't imagine the pain, but God will see you through the darkest days. Praying for comfort for your family and friends. I cherish every memory and moment I spent with my precious friend. She was a gift, Skip and I thank God for her.*
