“ I am so saddened to hear this news about Mike. He and I go way back in the Navy from the mid to late '70's through the 80's. I was an F-14 pilot in VF-143 and later in VF-101 when Mike, as a mechanic, made sure our jets were always good to fly. He was one of the best AE's the Navy could ever ask for.

In recent years we stayed connected as true friends on Facebook. Mike always took a great interest in my son Gordy's music career with The Band of Heathens (see this link... <https://www.facebook.com/Mike35816/posts/10156119552525044>). As shown in that FB posting, Mike has known Gordy since he was a toddler, and he even went to one of Gordy's Band of Heathens concerts in Huntsville on SEP 26, 2019. I shall miss our FB interactions greatly. 🥺

RIP and Godspeed, Mike... Well done. 🙏🇺🇸🇺🇸

“ We got to know each other very well online since we both served in VF-143 Pukin Dogs and loved to cook/BBQ/smoke. I am an admin on a couple of sites because of Mike. He will be very missed.

“ Mike and I worked together in VF-101 AE shop in the mid 80's. He was one of the best sailors I served with. I still laugh when I think about him, me and 2 other guys practicing wrestling moves during down time on the overnight shift, tag teams. I remember his love of Nascar as well. We lost touch over the years but finally reconnected on Facebook. You will be missed my friend, prayers to your family. Ed King.
