“ One of my brothers from just young kids Micheal would either be at my house or I would be at ms. Margies. We grew up watching dukes of hazard @7 on Friday nights then running across the trailer park to the mug n cone skating rink to me up with our older brothers Wayne, Wade & Petey. We never left each other side growing up Micheal was a true friend to the end, he called me on messenger a couple of weeks ago and I got his address and told him he would see me. I drove to Columbus the very next morning he was surprised to see me i could see it in his eyes and hear it in his voice he had an appointment in jackson so his family was trying to get him ready to go but he was still being the same ol Micheal that I always knew. I told him that I loved him and that I would see him again as my emotions were taking over walking to my truck.
Love u brother save a spot for me!
