“ *To Family of Miranda, I met Miranda when she was in high school and thought she was Nora (who had not aged since high school). She had a beautiful smile and a personality to match, both memorable. I know she will br missed. Your loss will seem unbearable, but Heaven gained Angel. My deepest sympathy.*

“ *Miranda, You were always smiling and no one can ever forget that big smile of yours!! You were there for me when ever I needed you to be there. Years ago you saved me so many times with Candy at Kinderdomes and you always helped me go to work, knowing you were playing with her and helping her to stop crying when I had to leave her there. You were so young then and it just doesn't seem fair that you were taken away from this Earth so young.....But, at least you will see your Daddy now and you will be at peace now.... I know you missed him so very much.....I will always love you and remember you and your special friendship when you grew up into a beautiful young woman. You will be missed by so many people and I hope and pray your Mama can find some peace dealing with you being taken away so soon. And your little boy, Jonathan, may he remember you when he grows up as a wonderful Mama and your husband will be always thinking of you as his wife that he loved so much..Love and kisses, Darline*
