“ *During difficult times I often reflect on the words found at Revelation 21:1-4. I hope they bring you comfort during this sad time.*

“ *Nann aka Ms.Nann was a wonderful and a special person to me. She lightened up my life. She was fun to hang out with, easy going, funny, loveable and a true friend to me. She was a woman who knows what she wants out of life, she was a very smart person, well educated at that. I always believed in her. She always put a smile on my face when i was feeling down. There is not another person like her - Nann was Nann -UNIQUE!! There are so many words to say, but none will bring my buddy, buddy back! There are sooo many precious memories of her too that I will always cherish. She will be greatly missed!!!!!!! ME & TAB WILL MISS HER GREATLY!!!!!!!!!!*
