“ Dear Natilie,  
It seems Like a decade sence ive seen you. You were the one i  
would look up to Because, you were always there. Here are some  
Quotes that Ifound and addend things onto it

You can shed tears that she is gone,  
or you can smile because she has lived.  
You can close your eyes and pray that she'll come back,  
or you can open your eyes and see all she's left.  
Your heart can be empty because you can't see her,  
or you can be full of the love you shared.  
You can turn your back on tomorrow and live yesterday,  
or you can be happy for tomorrow because of yesterday.  
You can remember her only that she is gone,  
or you can cherish her memory and let it live on.  
You can cry and close your mind,  
be empty and turn your back.  
Or you can do what she'd want:  
smile, open your eyes, love and go on  
Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.

*I love you My Aunt,
