“ *I have known Mrs. Nelda for most of my life. She was the most genuine and sincere person you will ever meet. She was the same no matter where you saw her. Every time I saw her later in my life, she always asked how my parent's were doing, and she always told me that she loved me. I am heartbroken that I will not get a hug and "I love you" on this side of eternity again, but I will again in Heaven someday. I know she is catching up with her husband, daughter, and my daddy. Prayers and love for the family...*
