“ *To all the family our deepest sympathies. We were so saddened to hear of Buck's passing. He was such a friend of our family for so many years. We did not know about his passing until today. We are so sorry we missed his service. We did tell Jr's mom, Ms. Audine. She had several fond memories she shared with us about Buck. They all knew each other for such a long time. We will keep your family in our prayers. We know you will miss him, but your were so fortunate to have had him so long. Blessing to you all.*
