“ *Dear John and also Randy's family, I just heard this sad news about your dad this morning, or I would have come to wake and service. Your dad was an inspiration to many and also to me when we worked together at Pearl River Elementary. The care he showed your brother, the effort he put into scouting, the patience and quiet joy he had in relating to everything. My son Hank loved doing the mile swim with him in the early mornings at Camp Binachi. He will be missed, but will live on through you and through all those whose lives he touched. God bless you all. Please contact me. I'm on FB as Josephine Benson and also teach at Neshoba.*
