“ *I worked with Rick for a couple of years at CRC. He was a great guy with a sense of humor. Ive kept up with his health through FB & was saddened by his decline & recent admission to Hospice & ultimately to CRC. My deepest regret is that i kept telling my husband I needed to go visit him, but didn't get out there in time. You will be, greatly missed, my friend. I will keep you, Miss Emily & all of your family in my thoughts & prayers.*

“ When Mr. Mott first started working at Choctaw Residential Center, he was hired as a Maintenance Technician. Due to his commitment and service to Choctaw Residential, he was promoted to Facilities Manager and wore many hats in serving the elderly population and the staff. He was always energetic in bringing activities to help the morale of the residents and staff. If there was any extra duty to perform for the facility, Mr. Mott could be depended upon for his meritorious service during the late Judy I. Rudolph's Administration, Linda Nichols' Administration, and during my short tenure as Administrator of Choctaw Residential Center. Due to the longevity of service to the facility, Mr. Mott knew the infrastructure as if the blueprint was on the back of his hand. A skilled electrician, Mr. Mott always dedicated himself to do what he can do for each and every resident at CRC. His outstanding service should not be forgotten as he gave of himself 100% and beyond as an employee and a servant of the Lord. He was just a few person who you can call "the best of the Best!!" I call him "my friend." It is a sad day for those of us who knew him well and the earthly encounters he faced each day. May God bless Emily, his father, and his family members for this tremendous loss.
