“ I am so very sorry to learn of Bobby's death. It has been a few years since I have seen him. I do see Donna once in a while on her route. I always liked Bobby and the ones of his family that I knew. I know this is a very sad time for all of you and I am so very sorry. God promised us that this absence from us would not be forever and if we can just cling to his promise it sure will make life Ta lot easier to bear. God bless all of you and may He stand extra close during these sad times.

With love,
Barbara-Jo Savell
