“ *So sorry to hear about Uncle Roy's death We will not be able to come to visitation or the service but you will be in our prayers. I know how you feel since we lost Daddy last year. Only God can fill that emptiness from the loss of a parent. We love you and think of you often.*

“ *The way was dark through the valleys
the hills loomed too high to climb
yet the light at the end of the chasm
beckoned the weary one on.*

*At last the trail on this earth
reached the cleft deep in the rock ---
one last footstep in shadow ---
a hand reaching through from the light ---
the traveller grasped it tightly,
and gently slipped from sight.*

*Arm in arm they ascended together,
the steps on the other side,
to the crowd of familiar faces,
to welcoming kisses and hugs,
to meadows of flowers and birdsong,
resplendent in heavenly dawn.*

*We will always miss our dear friend.
