“ *Ruth was a very special person. She had a way of making folks feel cared about and loved. We shared a not to be forgotten Christmas Eve once and she taught me how to make killer dressing. The last time I saw her was at the hospital in Flint when Mike was so sick and she had the family bring her up there to see him. I hadn't seen her for years before that but it seemed like it had only been months . I'm sorry I didn't know she passed until now. God bless all the family.*
