“ *Robin was one of the most amazing babies that an aunt could ever ask for, she was taken from us and we faught like crazy to get her back & her brother back, even so much as I tried getting her but at last minute DHS decided that we weren't a good fit and we still don't know why til this day! Robin you are & will always be with us and we never stopped thinking about you. We love you more than words can express. I just think God that you are no longer in pain! Rest In Peace my sweet little Diva Baby! Aunt Bet Bet will love you forever! I wanted to post some earlier photos of her lift with us. You can see even from a little one she always had a smile on her face. She was a very happy baby.*
