“ I’ll never forget the first time I met Ryan at the USM Petal Powwow back in 2015. It was my first time there and he danced with me in one of the social dances before formally introducing himself. He was so nice and shared some laughs with me before doing some more dances in the powwow. His videos on his Facebook page were nice and full of laughs when we weren’t there at the powwow. I’ll treasure the memories I made knowing his beautiful soul. Fly high Ryan, until we meet again friend.
