“ So very grateful for our time together at our first cousins gathering. The joy of the LORD just overflowed from Sandy to everyone around ❤️ Such a strong woman of God. One of my favorite memories was her gumbo making for us all. Cherished time for sure. Until we meet before the Throne, asking Jesus to squeeze you tight my dear cousin. I love you!

“ Sandy was my sister-n-law, who I loved and cherished. She was my brother's love of his life. She was a precious gift to our family. She suffered through so much here on this earth. I know she has no more pain. Love and miss her forever! Prayers for children and family!

“ *Sister Sandy is rejoicing with her King and her husband, singing with the angels. But oh how I'll miss her until we meet again. The purest, kindest, sweetest Sister I've known. What a privilege to call this Proverb 31:10 woman my friend. Look forward to hearing your humble voice singing again. Love you Sis!*
