“ *Sanford was a quiet man and very easy to be around and talk with. I respected him greatly in the years we spent together at Wells Lamons. If i had a question or a problem,i could always know and depend on Sanford to give the bottom line and truthful answer. We are all better people for the privelege of knowing Sanford. As he made his trip over Jordan, may he rest in the arms of a wonderful Savior who was his life's companion.*

“ Mr Tolbert and my grandparents, Mike and Evon Ethredge shared the love of friendship and the comradeship of being fellow employees. The respect of each other both at work and the joys of togetherness of family outside work made for a productive and Christian atmosphere.
Gods blessings to the family at this time. My prayers are with you Mrs Tolbert.
