*Its been 2 long years without you Mamo. Just know your whole family needs you and I wish that you could help Cece and her problems. I never wanted to leave but it felt that this family is pushing me out now that you are gone. Cece told me about how you was in her dream one day and I hope you will find your way into mines aswell and guide me to be my best. I love you Mamo!!*

“ *Sarah Jean always had a cheery disposition despite of everything else going on. We grew up living in Standing Pine and playing on the same team at one time. Sarah always never met a stranger; always greeting everyone she knew every morning as we came to work. We will miss her greatly here at Pearl River Resort.*
