“ *RIP my wonderful brother ❤️ Four days already of not receiving that early first text from you . I miss it ! I miss our night time phone calls and reminiscing about old times. Proud of you for being so strong during that short struggle toward the end . Strong like you’ve always been . I mean what a way to go home —fishing one weekend and going home to be with Jesus the next . Fly high with the angels . I love you so much 💔💔💔💔 I know you don’t want me to cry but damn I miss you and wasn’t ready for you to go home . Fly high with the angels ❤️❤️❤️🙏🙏🙏🙏*
