“ *Dearest Cousins, We are so sorry for your loss. There will only be one true AUNTIE Shirley for Vicky and I, and our families.. We always talk about her laugh and all the fun times we shared. I have heard she has not been in the best of health and now she is bright shining as the sun. We will always keep her close to our hearts and know she is watching and smiling down on us. You were blessed with a special mom and she touched so many people up here on the rez. She will surely be missed here. I am sure she enjoyed knowing your baby (Sheila) and she will keep track of all her grandchildren as a guardian angel.*

Also, Norm and Helen Warner send their condolences also.
