“ *My heart is saddened over the passing of Clint Smith. I'm thankful for our family relationships over the years; my Savell grandparents loved you all so much, as y'all did them. I know that where he has gone to is "far better" than this world of sorrow and sadness, troubles and trials. But I do know where he has gone and He has won the victory. May God continue be near his family during their time of loss. Reunion times await us.*
