“ I have so many great memories of working with Stacy and Bobby at the sawmill in Bellamy, Alabama back in the 80's. Both Stacy and Bobby were a joy to be around. They always had something witty and funny to say. At one point, Stacy and I got put on the 4 a m to 12 noon maintenance shift along with our buddy Alan Wyatt. Even with all the laughing and wackiness, we did get our jobs done! Ha! Those of you who know Stacy know what I'm talking about. I can't help but smile a bittersweet smile when I think of Stacy. The earthly part of me grieves at his passing, but the spiritual part of me rejoices the fact that he's with Jesus, his mom, dad, sister, and all those loved ones who left him so long ago. I would love to be at his service with all of you, unfortunately pressing work issues keep me away. Please know that you are all in my heart, thoughts, and prayers. Till we meet again, I love y'all very much!!!

“ Stacy, you left me too soon but I am going to be thankful for the memories and the fact that you are no longer in pain. At least you're in good company with Daddy and Uncle Bobby and too many others. Love you, bubba. As for the family, I love you guys. See you soon.
