“ Stephanie you were always thinking of others and what you could do to help them. You loved your family with all your heart and soul. Years ago when you and I use to talk on the phone it was always what you could do to help someone or how you could better yourself so that your parents would be proud of you. You knew they loved you but you were always wanting more because of the love you felt for them. You were one of God's children and I hope that you are at peace at that you now know how much you were loved in this world and how much you will be missed. Rest and enjoy Heaven. Your friend in Christ, Deborah.
