“ *To me Tammy had a Spiritual Glow about her. What a precious sweet soul she was. Having a Spiritual Glow means that the glow of God is a strong, bright light of Christ which shines forth from your face. ... It is God who puts joy on our face; He reaches way down in our hearts and makes us feel better.*

“ *Tammy will be missed. She was such a beautiful, kind, and Godly person. May God comfort the family during this time, and may we all rejoice in knowing she is walking the streets of gold.*

“ I have no words to describe my hurt of never being able to see my friend in this Earthly life again. I am thankful I was able to know her and be her friend. Such a precious gift. I rest assured I will see her again. To all her family, I am praying that you find comfort with the help of the Lord. She lived a Godly life and I know we should rejoice. It is hard as we will miss her. I not only pray for you now, I pray for you in the months and years to come. Just remember she lives on through you. I love you all. Dee Dee.

“ My heart goes out to the Pope Family. After I retired from the Bank I occasionally filled in answering the phone in the department Tammy worked in. She was an amazing person and lit up any room she entered. She was a very kind and loving person and I feel blessed to have known her. 🙏
