“ June Gilbert introduced me to Teresa about ten or eleven years ago. Over these past years we have shared many meals and birthday parties. Including Rachael's 30th! I have the scripture *Because He loved us first on a keychain Teresa gave me on my 60th birthday. I will always treasure the moments we shared. I will miss her stories and her laughter. She truly loved her family! Sending hugs, love and prayers to you all. So sorry I will miss her service but because of my recent surgery it's hard for me to travel.*
