“ Tessa, as I sit here writing this in memory of you words will never be able to express what my heart is feeling at this time. Suddenly, you were taken from not only your family, but your working family as well. It was a pleasure to have known such a kind, beautiful, and pleasant young sole. You were and always will be a wonderful person to me. I will miss seeing your smiling face on all the days when I arrive at work and during my afternoon walks when I see you and say: HEYYYYY TESSAAAAA.....
Just know you are and will be truly missed by myself and many others.

“ Tessa was a smiling face when she came to work for me at The Terrace Cafe at Silverstar not long after we opened. She laughed and brought much happiness to all who knew her. I watched her grow into a beautiful, smart woman mother and woman. She is with her Lord. God Bless her family and you, Malachi.
