“ *Thilda and I started 1st grade together 67 years ago. She was always a delight to be around. I love to go home with her when we were girls. I never knew if we would have fried chicken or squirrel with dumplings. We had said for years that we would celebrate our birthdays on the 9th being my birthday is the 1st of June and hers was the 18th. This year we finally got to do this. We had so much fun remembering and telling things we did as girls. Oh how I will miss my wonderful friend.*

I'm so sorry, I loved her so much. She was a precious lady, I miss the good ole days when pastor Lilley was our assistant pastor at walnut grove ms, and then he had his church at Lena ms, so many sweet memories. I pray for my dear friends and all the family. So sad, God bless and comfort them in this sad time, I love you all , God bless,
