“ My heart was broken when I heard of Sister Holley passing away. She was one of the most talented musicians, song writer and choir directors I've known. I will be forever thankful for her patience with me, be it singing in the choir or as a praise singer. I am a better person for having known her and her family. She fought the good fight and has received her heavenly crown. I can just see her standing behind a piano in Heaven. Thank you Sister Holley for all you did for me and my family, rest easy in the arms of Jesus.

Dear Vickie,  
Memories! My mind is flooded with days of long ago! We all were much younger and we'd not even heard of the disease that took you from us. Until that day my friend. Hugs!
